

SCCYBER ONLINE

**IMPROVE YOUR CAREER OPPORTUNITIES,
EARN HIGHER PAY, AND PURSUE POST-
SECONDARY EDUCATION**

SCcyber is an accredited Alberta Education online school for Indigenous students. Whether you're looking to complete your high school diploma or upgrade online, SCcyber offers a flexible and comfortable pace for you to complete your studies. Online tutorials and local mentors are also available to help you overcome challenges and achieve success!

Funding for courses may be available for eligible students. Successful completion of part-time courses may also lead to eligibility for full-time funding in remaining semesters.
