# SAAMIS EMPLOYMENT & TRAINING: JOB CLUB

RUNS THE FIRST TWO WEEKS OF EACH MONTH

## WHAT IS A JOB CLUB:

A JOB CLUB IS A MEETING GROUP THAT HELPS MEMBERS FIND MEANINGFUL EMPLOYMENT THROUGH NETWORKING, TRAINING, AND COACHING OPPORTUNITIES.

Job searching and navigating workplace challenges can be made much easier with the support of a small group of trusted peers. If you're looking for work, don't go it alone. **Seats are limited each month to a maximum of 8 participants.**

To support your success, we'll provide the basic tools to get you started and keep you motivated along the way. Within your group, members will swap leads, offer feedback, conduct mock interviews, tackle challenges, and encourage one another's weekly success. Members are responsible for celebrating each other's strengths and collectively developing smart, savvy solutions to overcome the obstacles faced in the job hunt.

## WHY JOIN OUR JOB CLUB?

Most of us don't relish the idea of embarking on a job search. It can be a lonely and discouraging process, but it doesn't have to be that way.

Becoming part of the Saamis Job club can offer valuable assistance and renewed optimism. It may also bring a strong sense of accountability that gets you going in the right direction. When you know that your fellow members expect to hear regularly about your progress, you're more inclined to have a productive period leading up to the club meeting.

## POWER AMONG PEERS:

By joining together with peers in your community who understand exactly what you're experiencing –because they're going through the same thing – you can plot and plan together to keep one another focused on achieving your goals.

When you divide your job search into daily tasks and weekly goals, you stand a better chance of fulfilling the overall goal of landing a job with greater ease.
