

# HEAVY EQUIPMENT OPERATOR TRAINING PROGRAM

**OPEN TO INDIGENOUS PEOPLE LIVING IN TREATY 7 TERRITORY**

**OFFERED THROUGH SAAMIS EMPLOYMENT & TRAINING**

Saamis Employment will work with Olds College in Olds, AB to deliver a 12-week Heavy Equipment Operator (HEO) program. This program will allow individuals to obtain all the basic skills necessary to enter the Heavy Equipment Operator trade with above average opportunities for employment upon successful completion.

## PROGRAM OVERVIEW:

- Workplace safety training & safety tickets
- Introduction to earthmoving through hands-on practical experience
- Equipment operation and preventative mechanical maintenance
- Fieldwork and jobsite fundamentals
- Earthmoving operational techniques
- Heavy equipment operator practicum
- Accommodations are available at Olds College student housing for the duration of the program

### PREREQUISITES:

**Completion of Grade 10  
Class 5 Driver's License**

A Class 5 Driver's License is recommended but a GDL License is also accepted. Restrictions such as a blow box on your license are not eligible.
